Dan Kozlowski:

Last UFFAB voted to fund the deck and lift. Went up for the bid for the deck, was over budget. Hoping to have UFFAB fund the difference on the project. Return from general assignments: \$110,000, hoping it can be reallocated here. Only got one bidder on it the first time. Put it back out there for a second time with a different schedule.

Asking for UFFAB to fund \$78,666.05. Prices are market and construction dependent.
