Meeting Minutes:

The meeting started at **5:04pm**.

- Welcomes were given and attendance was taken.
- Marion K. Underwood (Provost and Executive Vice President) and Brendan Hanlon (Vice President of University Operations) attended to discuss UFFAB priorities including spaces for students and safety.
 - A number of issues to be addressed with UFFAB funds relating to safety are the fire protocols surrounding Clark, being unable to lock down buildings, accessibility, etc. We are urged to get in contact with other facilities groups (Sandy Sheahan) to gather more information.
- Emily Dusatko, the UFFAB Financial Officer, has updated the budget data shown last week to include the Graduate School as its own category rather than the individual graduate programs being included in the categories of their respective colleges.
 - Vigor Lam questioned about further breaking down the graduate program costs.
- Claire and Sandy have reached out to groups for whom we do not have members, including ASCSU.
 - We discussed ways to reach or find the required members.
 - One idea is to create fliers around campus.
- The UFFAB bylaws were reviewed.
- We do not meet next week.

The board adjourned at **5:55pm**.
